

COMEBACK

The Return

o

DANCE

Moving in-between

Beyond my body

Shake

Then escape

Into the sun

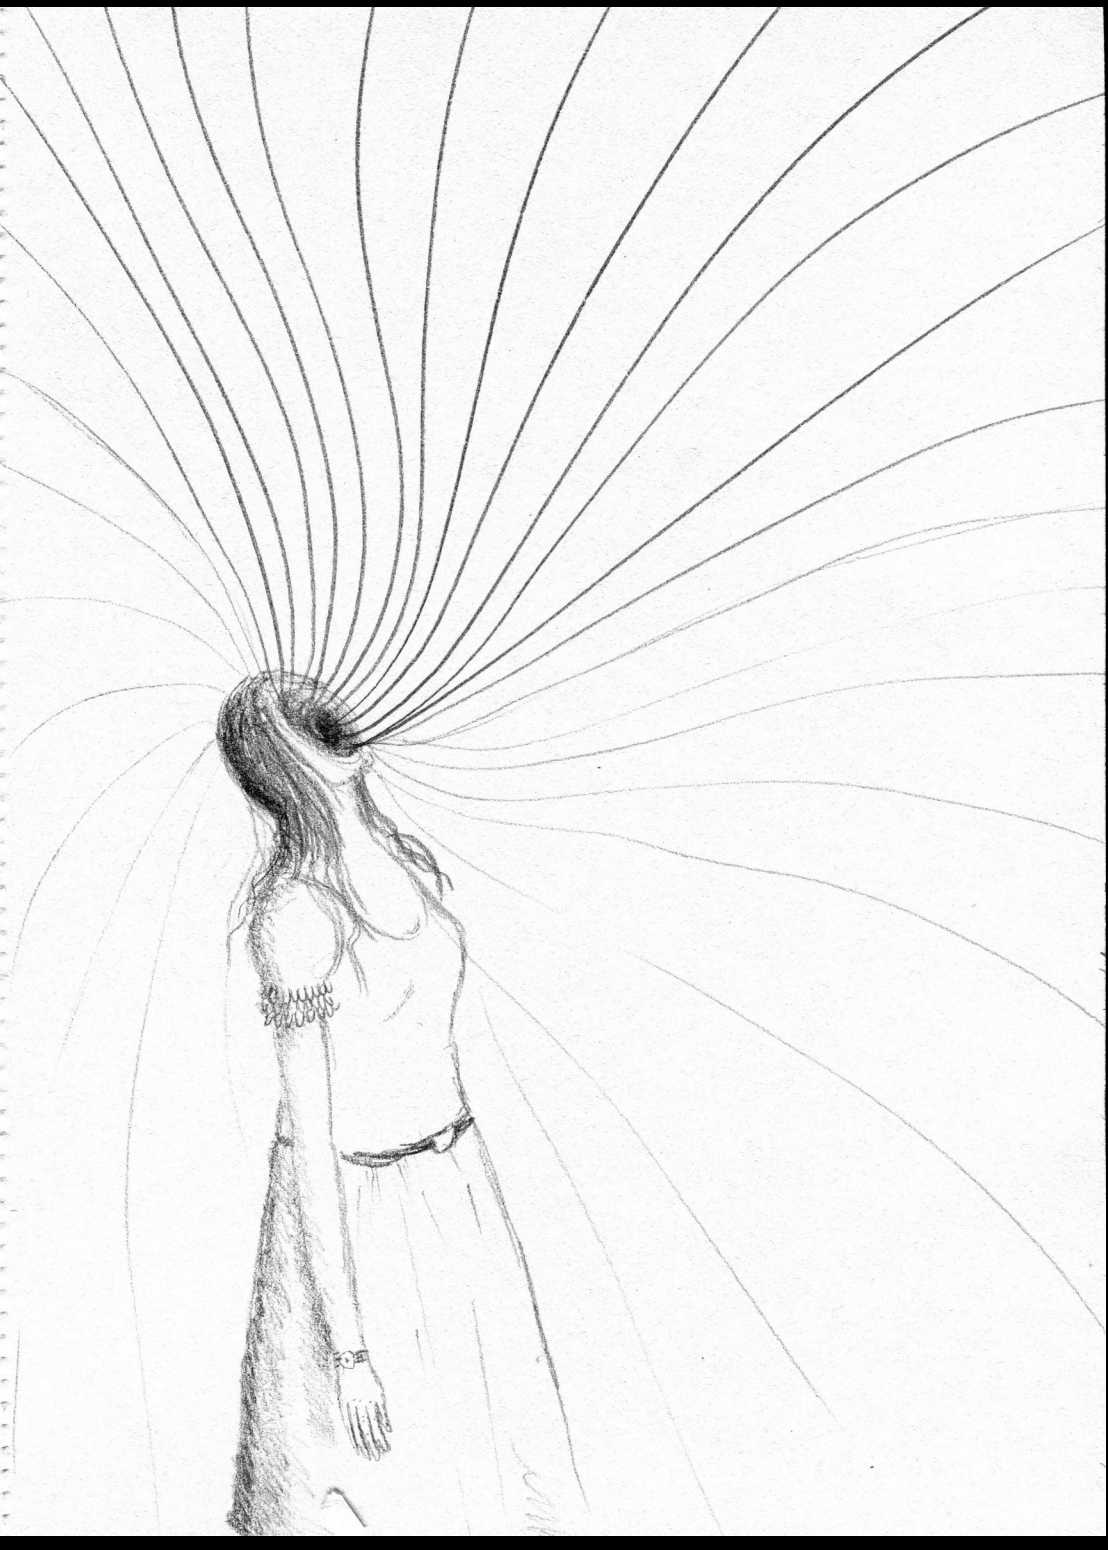

Getting low

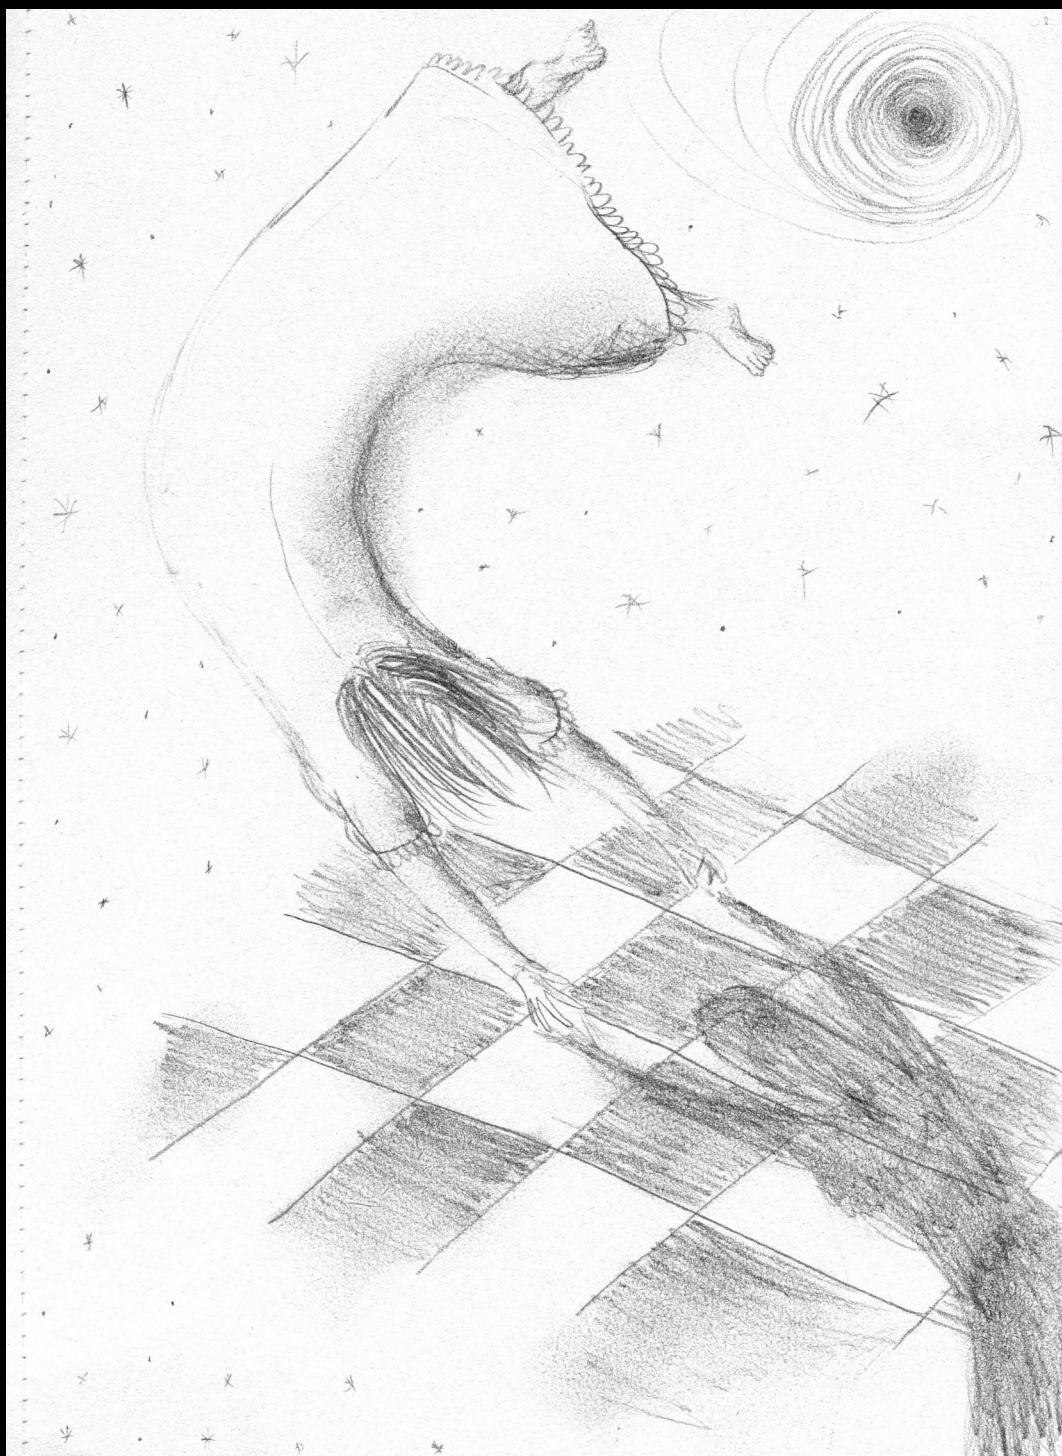

Free in the rays

Rainbows in a sway

COMEBACK 1

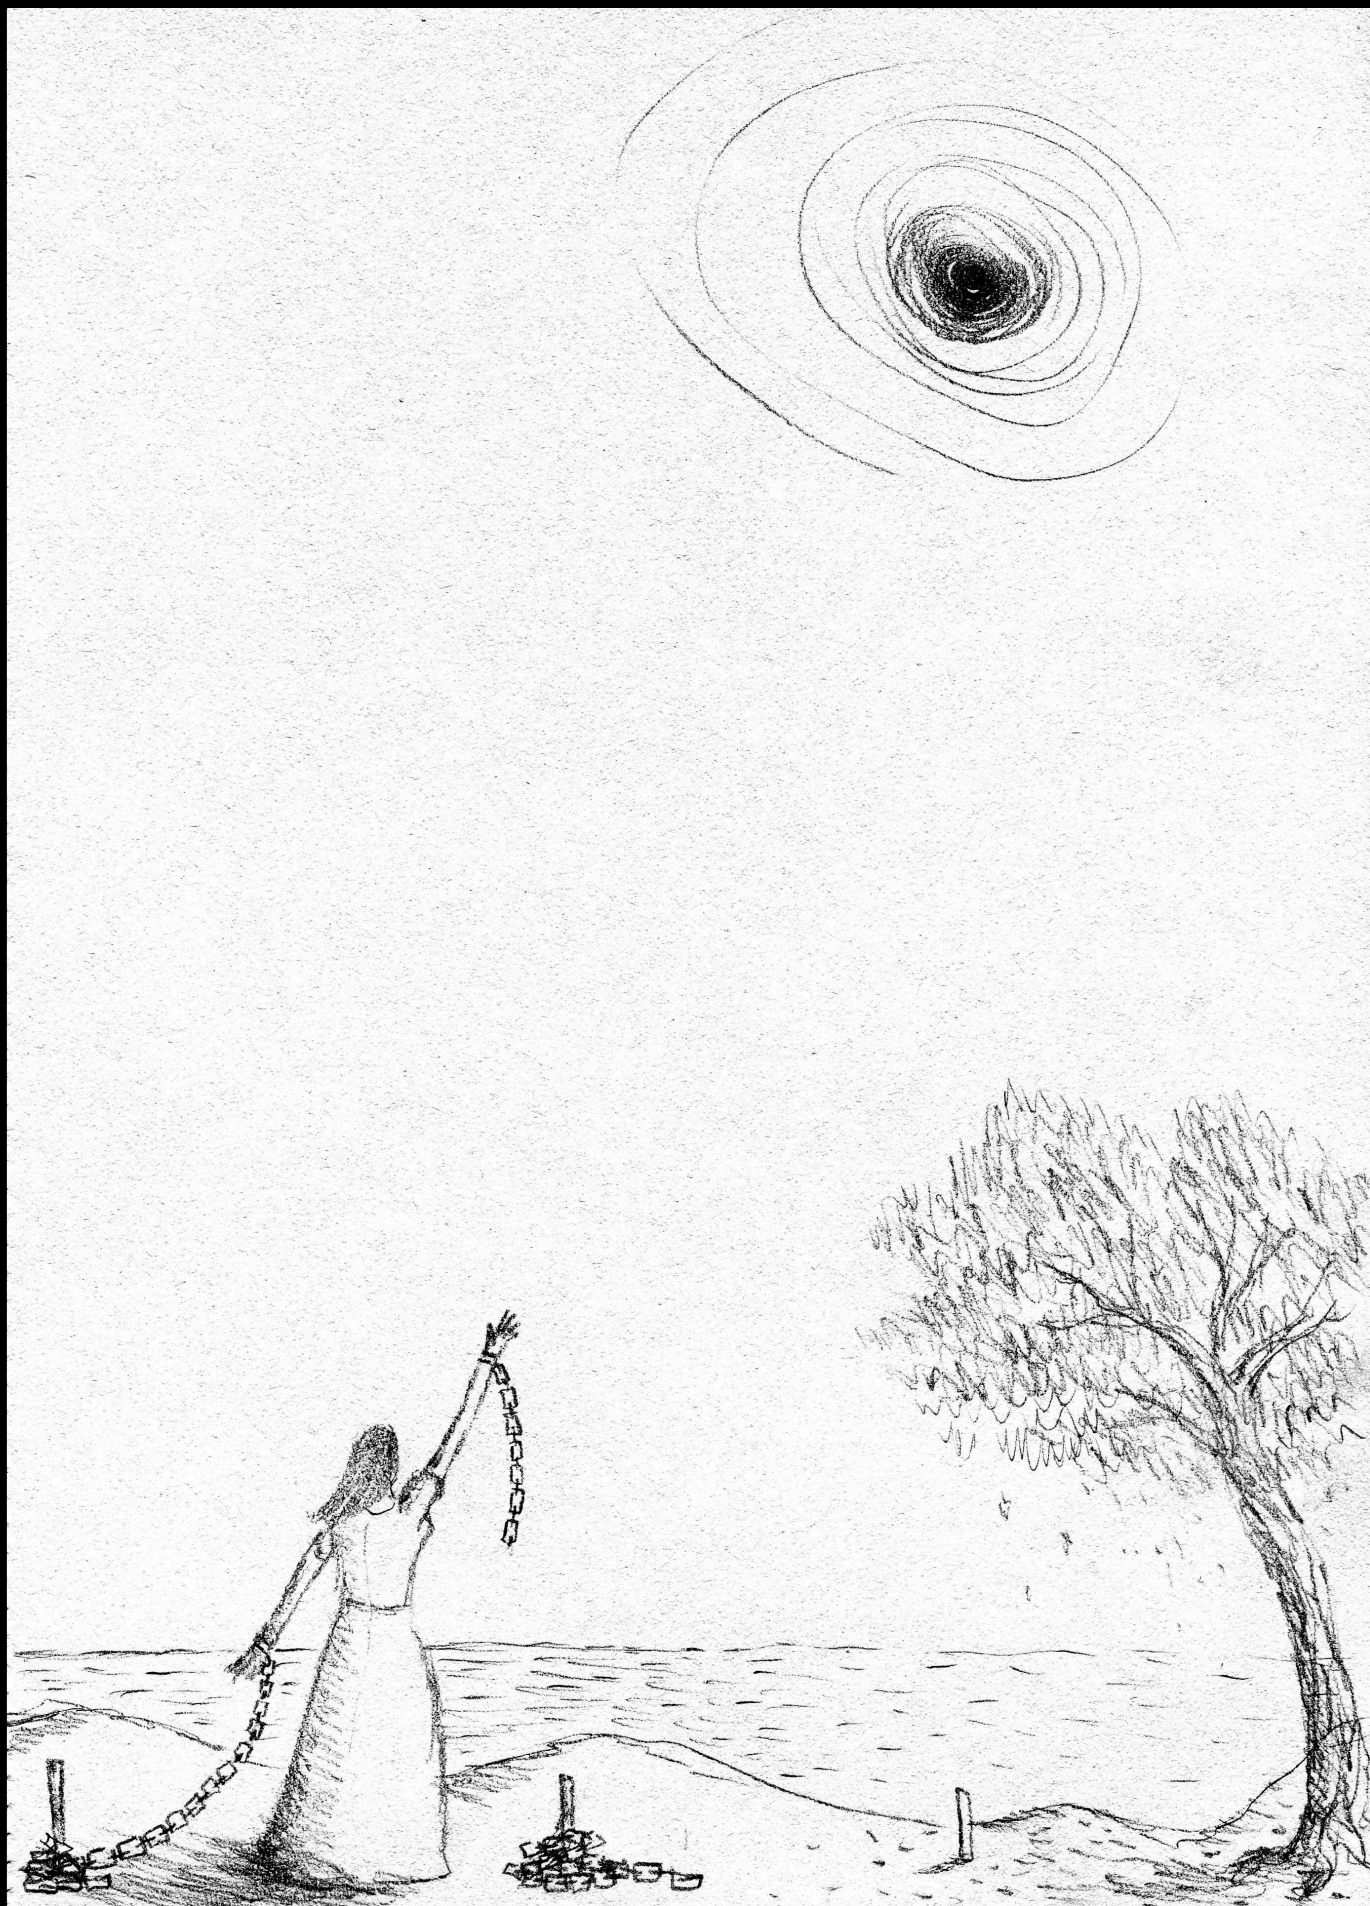

Return of the lines

II

Letting go of the other

At the shore

No Return

Could it be the end

So far behind

The horizon rising higher

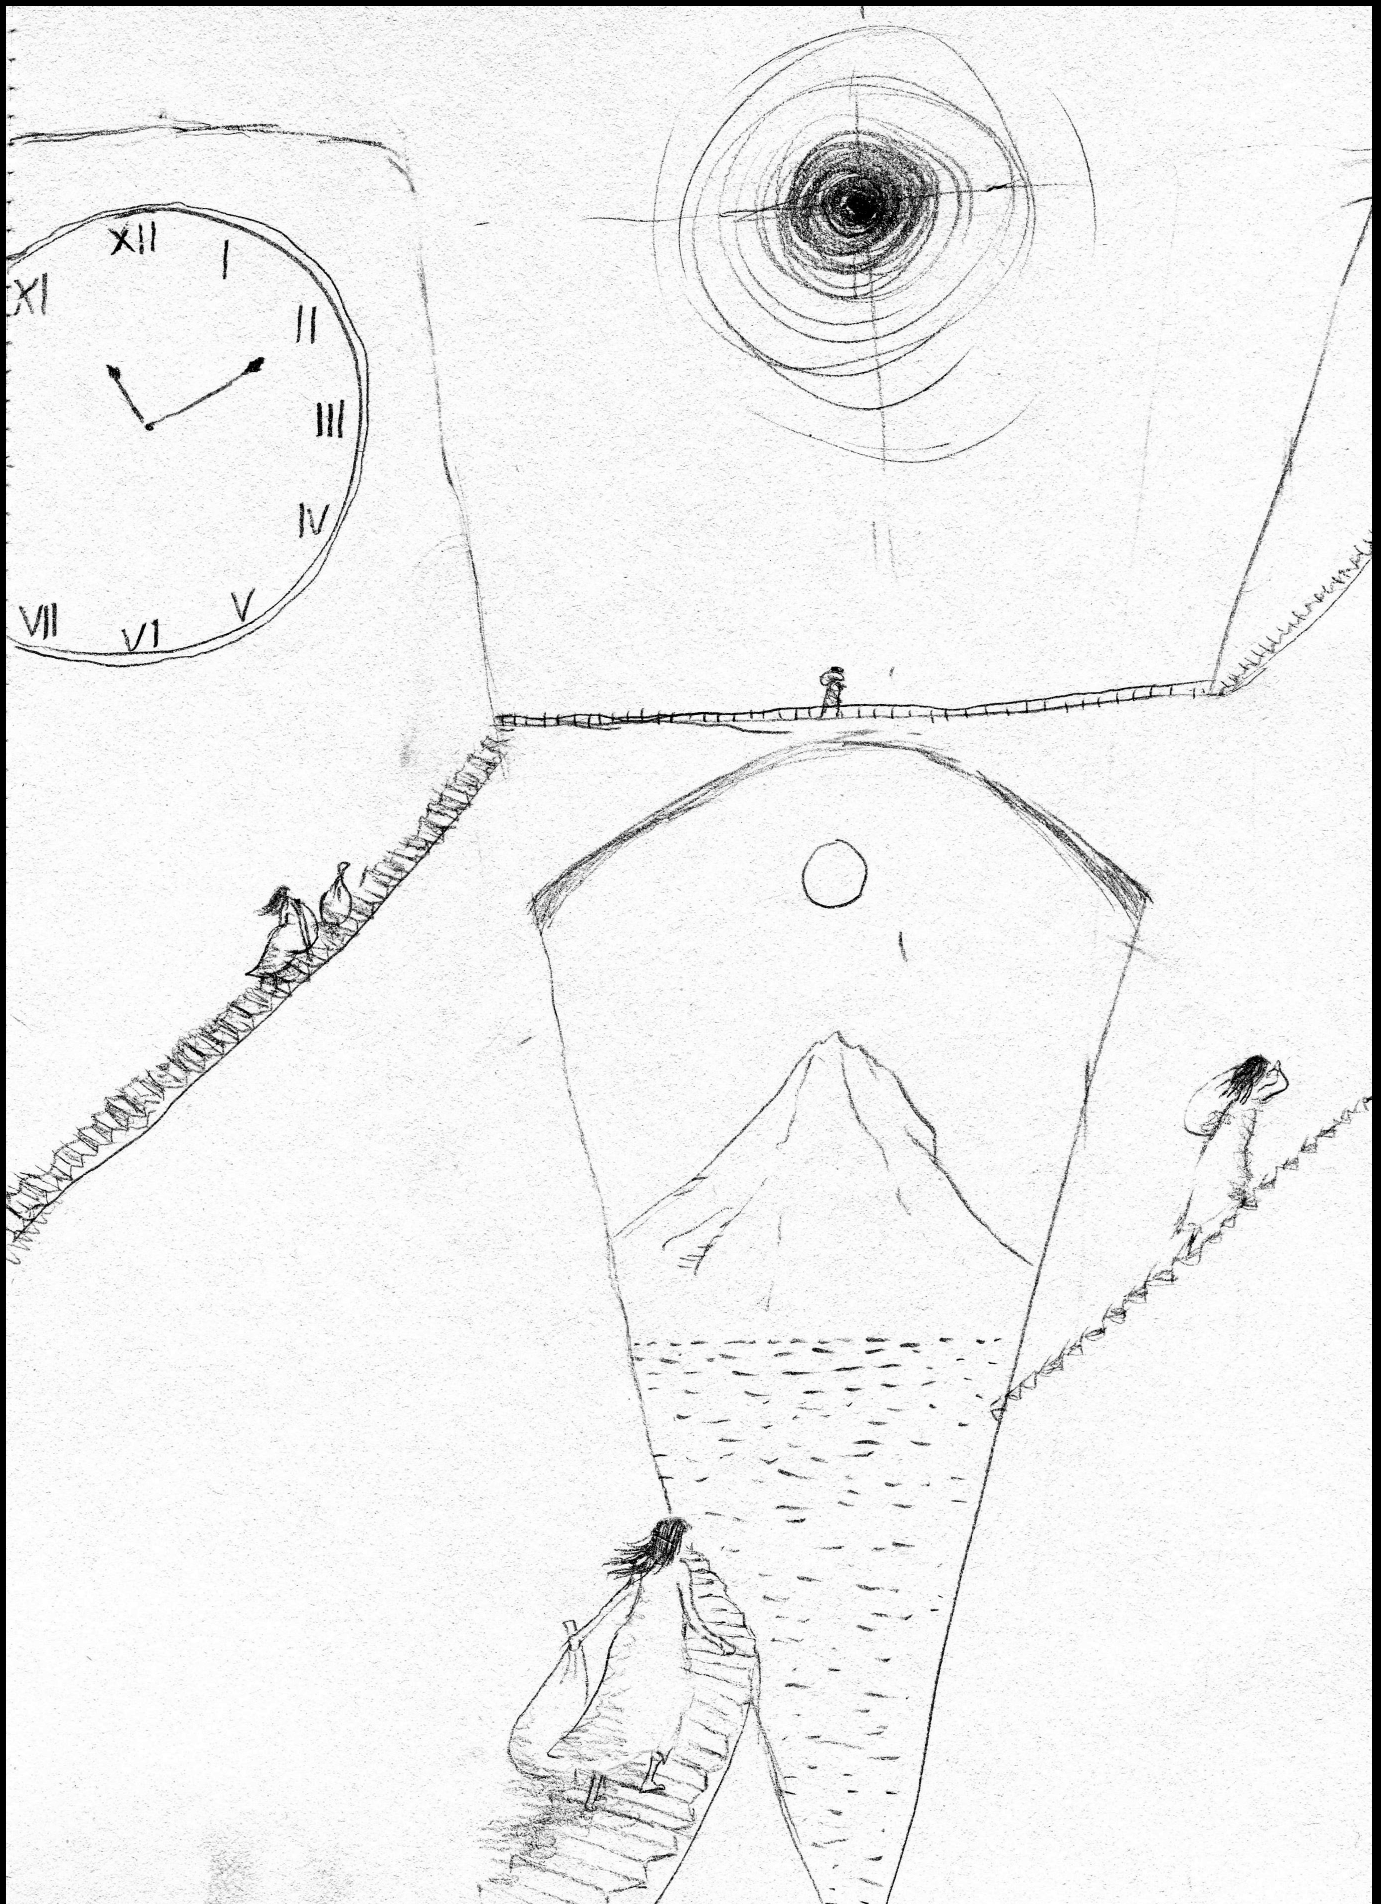

Then ever before

No bridge back

Just open water

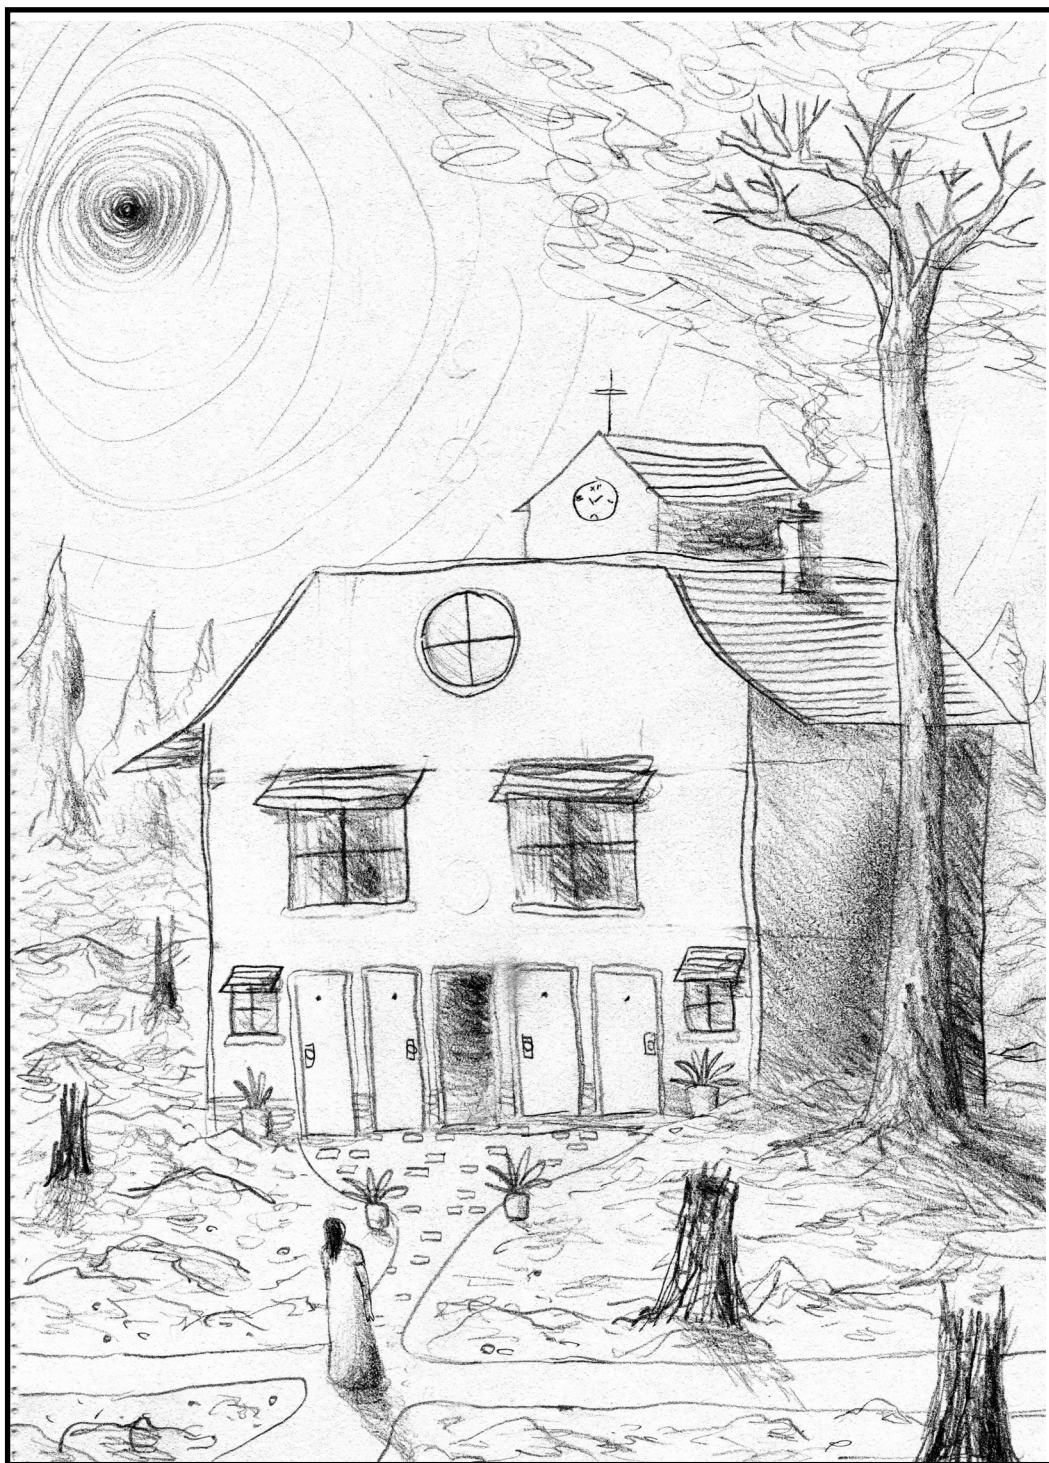

At the shore

Of eternity

Bridges of Time

V

Many doors back home

VI

VI

SPIKES AND FALLING

Up and down

Into the sharp

Glass and broken sticks

Around the starts

Endless parts to fall on

Into and out

Up and down

Into the light

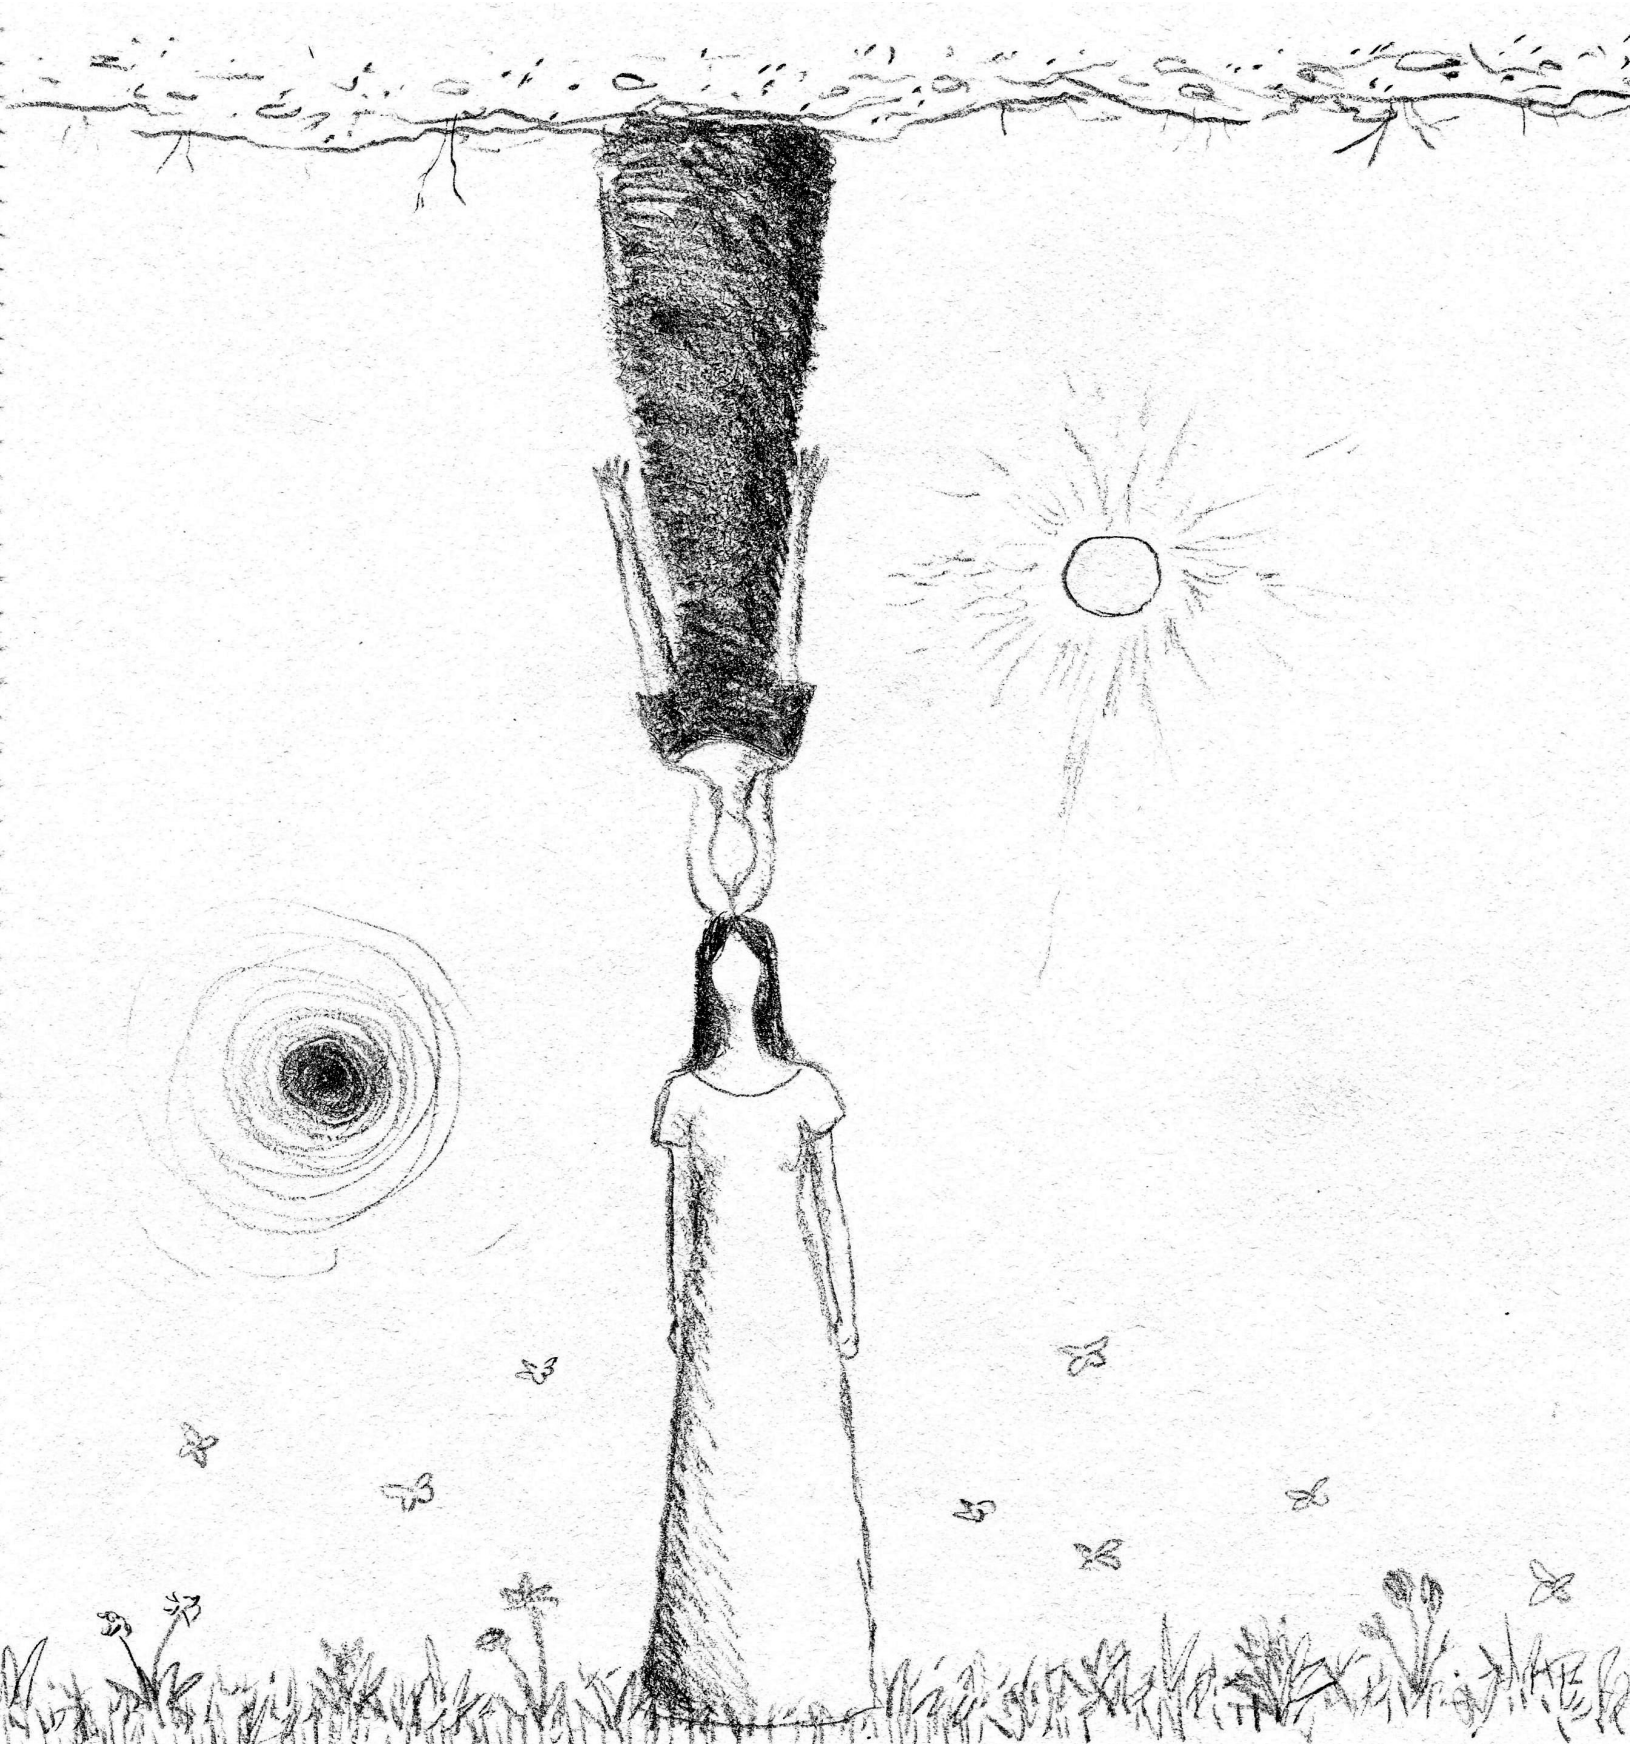

VII

The Light

Shine so bright
No shadows tonight
Oh holy light
Cast upon
Songs of glory
Rightful sight

Time only measured
By the sun and moon
And its already
Comin soon and steady
Back to days
Now and a way

Endless Cycles

IX

THE SPARK

Come on conduit

Come on sparks

Come on

Come on

Come on electric

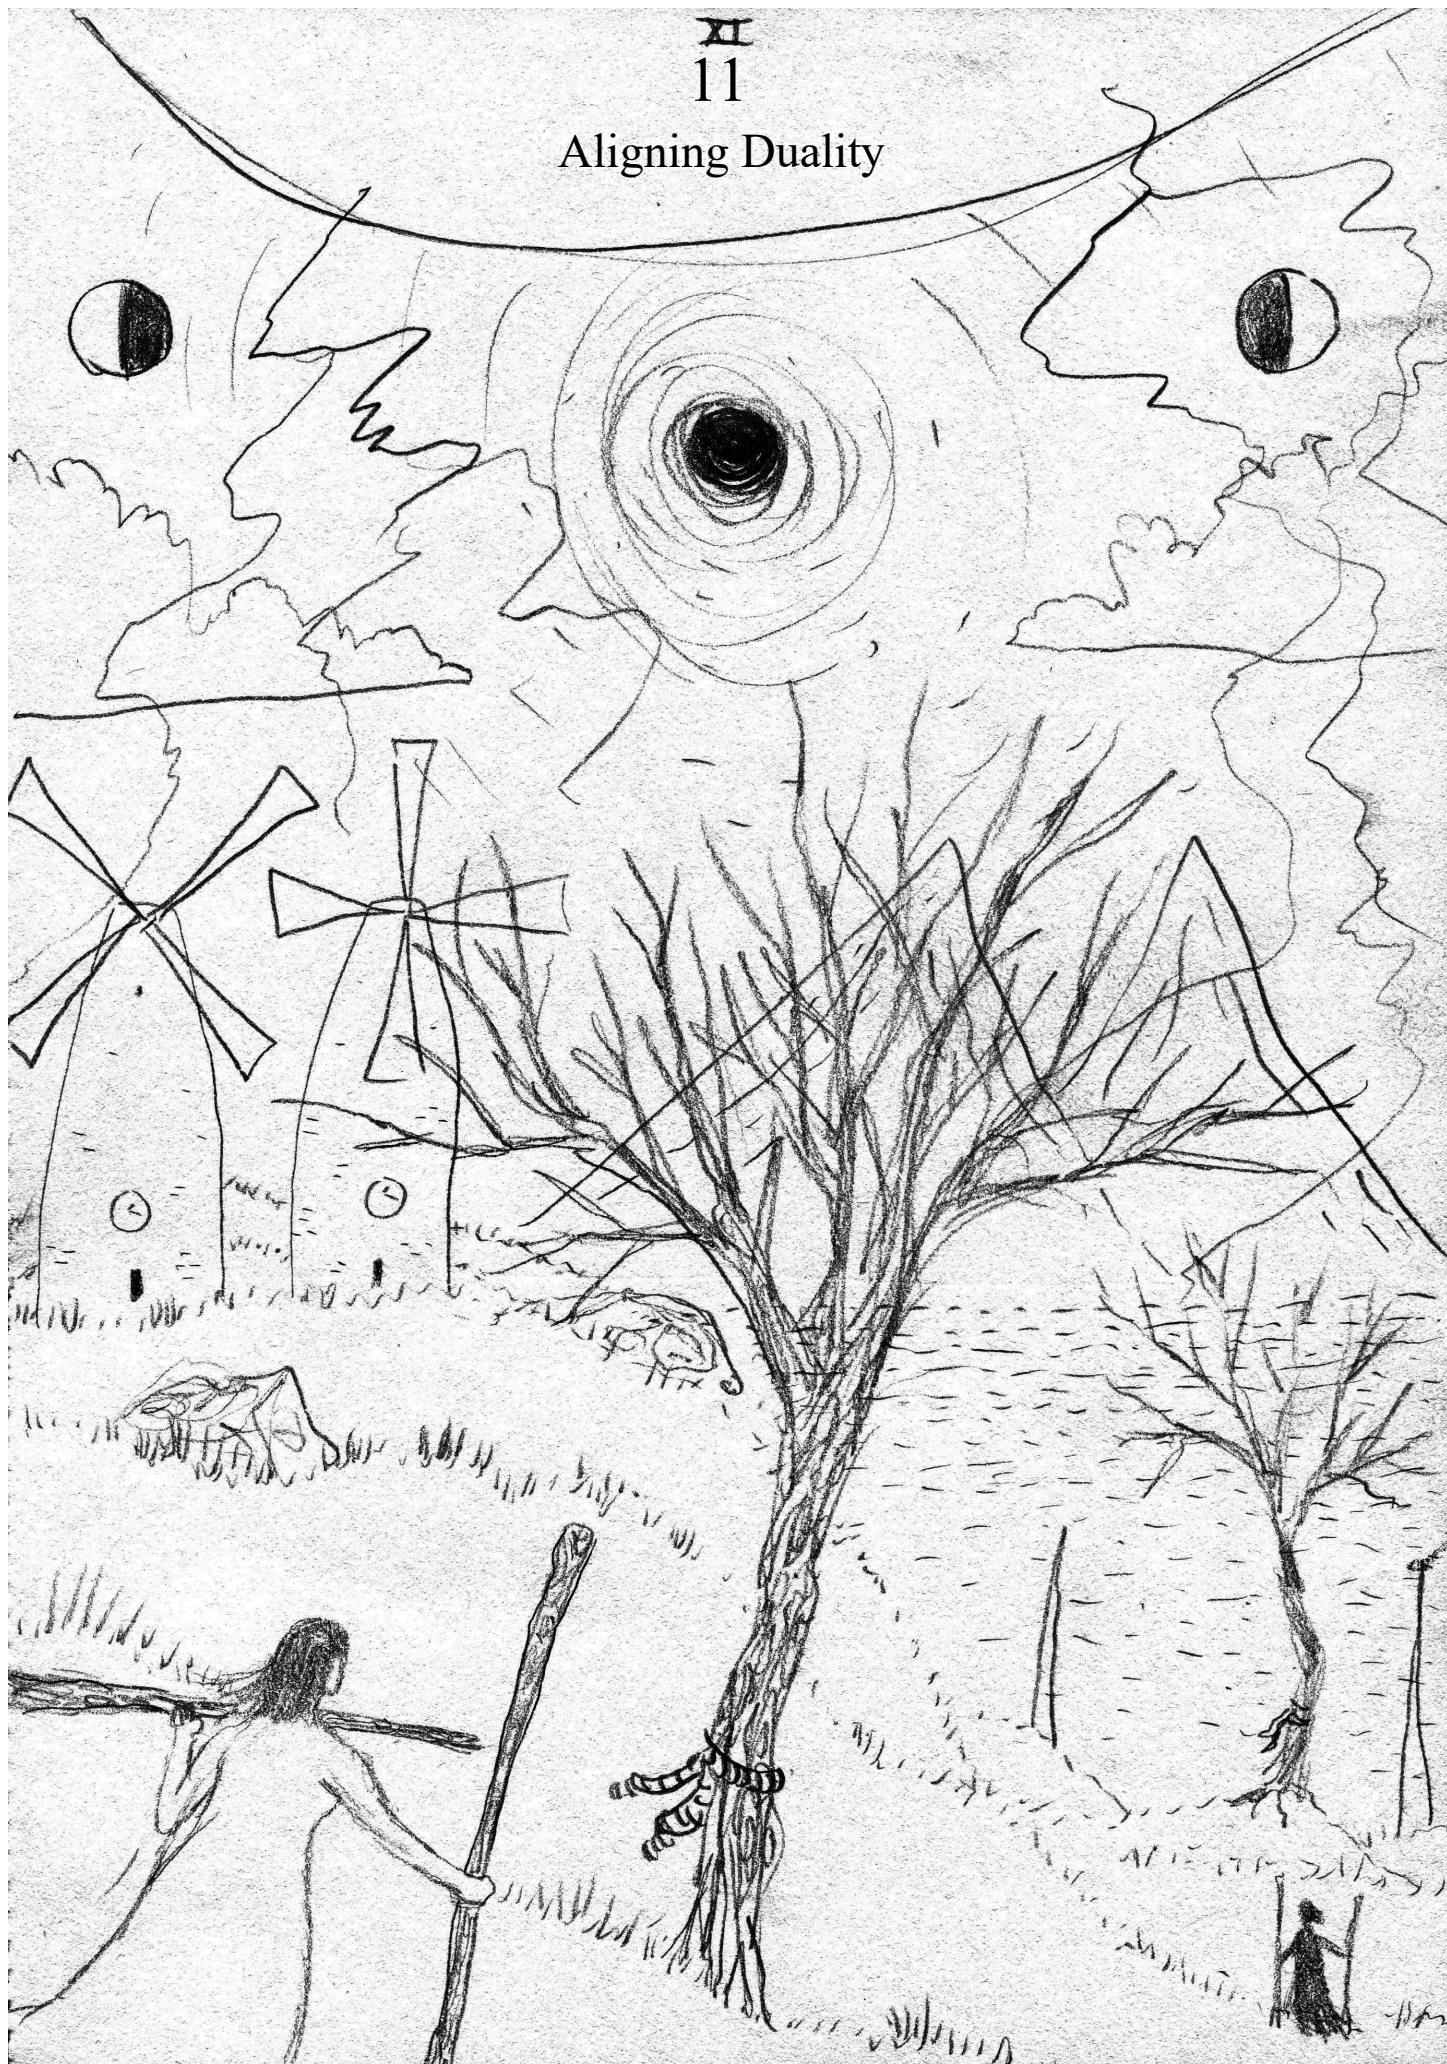

X

313

Rooms

Aligning Duality

FIRE

Home burnt to asunder

Past things piled

In ashes

High as the wind

Thunder that ignited

The fire rising fast

No past

No future

Returning back

To it all

Coming home

[The following text is a dense, continuous block of text, likely a scan of a document page. It is mostly illegible due to extreme blurring and low contrast. The text appears to be a single paragraph or a series of closely related sentences, but the specific words and structure cannot be discerned.]
